

# Directions

## To Fonmon Castle

*From Junction 33 of the M4 follow A4232 towards Cardiff. At the first major intersection take A4050 following signs to Cardiff Airport. (The A4050 becomes A4226 north of Barry.) Bypass the airport to the north following A4226/B4265 towards Llantwit Major. Do NOT take 1st left, which is signposted Fonmon (the village), but continue under bridge for another two thirds of a mile. Follow brown tourism signs, firstly left towards Rhoose and East Aberthaw. Then, 100 yards beyond the top of the small hill, turn left again into Castle Road. Go over traffic lights and our lodges are at the end of Castle Road, with the gates on the left.*

*Please Note: Using SatNav to approach the Castle can cause problems. We have a unique postcode which does not 'link' to a public highway. Hence you may be told 'you have arrived' when you are anywhere up to ½ mile away.*

*For bookings and further information, please contact –*
